

## INJECTION MOLDING PRESSES

Our 17 injection molding presses range in size from 220 ton to 1500 ton, with shot sizes from 20 ounce to 225 ounces. We just recently added two new LS Mtron energy efficient presses to our press fleet.

Mach #	Tonnage	Shot Size	Cores	Mold Space	Day Min	Day Max	Platen Width	KO Pattern
2	1500	225 oz.	yes	52 x 52	6	72	78	10 x40, 52, 64, 16 x 52, 64
